

HOUSE KEEPING

We haven't got long until we kick off the 50th Dalby Australian Stock Horse Sale, so we would like to go over some general house keeping rules:

- Competitors and vendors, the showgrounds will be open from **9am Monday the 25th of November** however there are some specific rules around parking this year with record numbers for the campdraft and challenge incentive program. **To accommodate all, the committee will be escorting you to your parking area.**
- Please respect the committee's directions, we are doing our best to accommodate everyone fairly. No negative behaviour will be tolerated.
- Please be mindful of others when setting up yards and camping areas, avoid bringing any extra horses not entered in the sale or incentive program.
- **Campdraft/challenge competitors without sale horses will be directed to camp at the soccer fields on Wilkes Street.** You are not permitted to park inside the Showgrounds unless you have horses entered into this year's Sale. There will be limited power and portable toilets at the soccer fields.
- Bikes and scooters are welcome for the commute back and forth from the soccer grounds, please note the soccer grounds are right next to the showgrounds.
- With recent rain, we are hopeful we will have clear weather next week and looking forward to a fabulous event. But as always when coming to Dalby Stock Horse Sale, be sure to pack for all weather conditions!
- **Horses are not to be tied to fences or trees.** Any damage will be charged to the horse owner/carer.
- Please ensure to remove all horse manure and place in the designated manure points
- Sale horse stables **MUST** be left clean. **Please REMOVE all manure & hay**
- Use the rubbish bins provided around the grounds

We are so excited to see you all next week!
